University of Worcester will be leading a new series of network meetings for subject leaders of SENDi

Each session will include:

• A presentation on a current SENDi topic
• A chance to discuss how these feed into everyday life in school and as a SENCo. We will be discussing the SENDi Code of Practice and the SENDi Regulations
• A chance to discuss the current SENDi landscape and how we can best support our students

• A chance to stay up to date with learning and teaching in SENDi
• A chance to discuss the current SENDi landscape and how we can best support our students

• A chance to discuss the current SENDi landscape and how we can best support our students
• A chance to discuss the current SENDi landscape and how we can best support our students
